

# Do you need an HOV tag?

Ask yourself the following questions:

- Am I tired of waiting in the line in the morning to drop off my kids?
- Do I want to be more environmentally friendly and carpool instead of driving just one or two children?
- Do I want to help the school relieve traffic congestion?

If you answered "YES" to any of these questions, please fill out the form below, and you will receive your HOV tag through your child.

**The HOV tag allows you to use the HOV lane on days when you bring at least THREE Bledsoe students to school.** Please remember that buses have the right of way in the bus/HOV lane.

If you have any questions, please contact the Environmental Chair at [environmental@bledsoepta.org](mailto:environmental@bledsoepta.org)

-----  
*Please cut here and return to school.*
